**A** EVERY MOTHER COUNTS

This spring, we're joining forces with our friends at Citizens of Humanity and with Every Mother Counts, a non-profit founded by Christy Turlington Burns and dedicated to making pregnancy and childbirth safe for every mother, everywhere. Around the world, distance is often one of the greatest barriers women will face when in need of essential maternity care. Follow along with @anthropologie as we run to raise funding and awareness.

**A** REUSED. REIMAGINED.

Recycle your Anthropologie catalogs in one of our stores – our visual teams will use them to create next season's otherworldly displays.
